ONCE YOU CONNECT WITH US, YOU'RE CONNECTED.

[MGBRAYER]

Your health care leaders in Lexington.

Saint Joseph Hospital, also known as Lexington's "heart hospital," serves central and eastern Kentucky and has pioneered many firsts in the health care community.

Saint Joseph East provides ambulatory surgery, 24-hour emergency care and women's health services, all supported through a

vast array of inpatient and outpatient programs.

KENTUCKY COMMUNITY & TECHNICAL COLLEGE SYSTEM

Powering Kentucky in more ways than one.

Upgrading our hydroelectric stations, modernizing our environmental controls and adding the state's largest solar array to our energy mix are just some of the ways we're making improvements today for an even brighter tomorrow. At KU, our energies go to serving you. Visit lge-ku.com/investments to learn more.

a PPL company

Image is an artist rendering. Actual solar facility will begin commercial operation later this year.

Good law firms help you
handle legal problems.

Great law firms help
you prevent them.

At Stites & Harbison, taking the initiative is the rule, not the exception. We are here to understand your business and anticipate your needs – working proactively to avoid problems and engender peace of mind. **Stites.com**

Did You Know?

You may notice some metal circles or disks (about the size of a plate) on the exterior of some buildings in downtown Charleston. The circles are the ends of earthquake rods that were added to newly-constructed buildings after the Charleston earthquake of 1886, in hopes of strengthening the structures.
